

Knights Of Loop Title Two Games Away

'Beat The Dutch' The Word For Tonight; Peacocks Here For Final Tuesday Eve.

By Dale Kopfrke

Aiming for a share of the Iowa Conference crown, Wartburg eagles play host to Central College at 7:30 tonight in Knights Gymnasium.

The Opheimen will be out to average an earlier defeat handed them by the Dutchmen at Pella. Free throws told the story in that contest as Central routed Wartburg 67-34 by a 15-0 margin.

Youngblood Sparks Dutch

Central is led by Gus Youngblood, a jump shot artist, and Ken Latta, a steady scrappy.

more. They combined to net 41 points in the first half.

Pella cagers in the first meeting of the two clubs.

With the starting line averaging only about 67.5 points a game, the Dutchmen are in the Central attack. While the Dutchmen are in the Central attack, they are made up by aggressive, level-headed play.

Central has developed an attention-provoking pattern system of play in this day of race-borne basketball. Lacking great outside shooting and team speed, Coach George Kregal has stressed defense and intricate, patterned play.

This system has paid off, as the Dutchmen own the lowest defensive average, 58.1 points per game, in the Iowa Conference and usually hold a high shooting percentage from the field.

Knights Wind Up Loop

Knights will close out the conference season when they host Upper Iowa next Tuesday evening.

Wayne Sawyer, sophomore, who rejoined the conference from a leave of absence, will lead the Knights Tuesday, will be out to gain his second straight scoring title. The head word to describe his shooting is "uncanny."

Jerry Waskow, the Peacocks' 6'4" pivot man, is especially valuable on the defensive boards.

Guard Joe Craig, a three-year veteran, is another potent asset.

After knocking off UIU, 93-80, last Tuesday night, the Knights now trail Parsons by only a half game. Two victories would assure Knight cagers of a tie for the title.

Who On Second? Motel's In First

Cedar Lawn is back in first again in one of earliest bowling seasons ever held at Wartburg.

Led by John Krelick's 504 series, the Lanvines swept all four games from Ritchie Pette's lead Wednesday to have ahead by one game. Pette, last week's front runner, slipped to third place as Cecil Latta moved one to Meyer's Drag but won three, behind John Chalk's 510 hit series, to move into second place. Mel Schlichting and Mel Niles hit 512 series for the Lanvins.

Mark Withmeyer of Hilltop Calf went the only bowler to roll a 200 game.

New Applications Total 208; Christmas Grant Brings 42 Volumes

Applications for next year reached 208 yesterday as prospects for the largest enrollment in college history appear evident. Three countries and 14 states are represented among the applicants.

According to Norma Fintel, public relations director, enrollment is seven weeks ahead of schedule with 206 applications received by Feb. 24. Last year, 144 had been received by Feb. 2.

After Christmas Rush
"Applications were running fairly evenly until, after Christmas," Fintel explained, "in the six weeks since Christmas, the number of applications has doubled as compared with the same period last year."

The height, as far as incoming applications, used to be reached around March or April. Now, according to Fintel, January is the high point.

Besides the United States, Canada and possibly Korea will be represented. The students come from a variety of states, including Iowa, Illinois, Wisconsin, Minnesota, Kansas, Nebraska, Texas, Colorado, North and South Dakota, Oklahoma and North Carolina.

7 of 3 Girls
Two out of three of the applicants are girls.

"That is typical of the early applicants," said Fintel. "Later it levels out to about half and half."

"If things keep on as they have, we will have to close our doors early this year," he added. "In the future, you see, we will have any trouble filling the additional space created by a new girl's dormitory."
